DETAILS: Due to complex nature of Juvenile Justice Standards Project a highly specialized approach in the form of a panel is the only feasible format to present recommendation to Police Chief Executives. It should be noted that the \$200 fee plus travel expense for individual speaker is within the \$150-200 per day range established by the ABA for consultation fees. Panel will be in session for four hours commencing at 8:30 a.m., on 5/6/76. This will necessitate one day of preparation time and arrival at Quantico, Virginia, evening of 5/5/76. The only additional expense for procuring services of above-listed individuals is round-trip air travel expense from New York City to Washington, D. C., incurred by [redacted] on 3/30/76, at which time she consulted with ABA staff personnel and NEI staff in formulating curriculum for 5/6/76, presentation.
